## **NEW MONSTER for SR HILUX and MITSUBISHI ML & MN TRITON**

Mullins has just released a new Monster wheel in 16x7 size with a P35 offset to suit the Toyota SR base model Hilux and Mitsubishi Triton ML & MN models, from 2007 onwards.

**Part Number: 279-670P35-67B**

**Size: 16x7"**

**Offset: P35**

**Black Machine Face**

### **SPECIFICATIONS ...**

Some Toyota Hilux SR 4x4 6-Stud models from 2005 onwards have P45 O.E. offset. These vehicles can be legally fitted with Mullins new P35 offset Monster wheel.

Mitsubishi Triton 2007 onwards ML & MN models also have a P46 O.E. offset. The new P35 Monster can also be fitted to these vehicles.
