Mullins Wheels is pleased to introduce the sleek Strada wheel into CSA's 2014 wheel range.

Strada is CSA's brand new Satin Black All Over twin-spoke wheel. The all over finish is unique to our range and is something rarely found in the market.

Strada is available in 17" and 18" sizes and as usual we have gone to extreme measures to ensure we offer a fitment to suit your vehicle. Refer to the next page for full fitment and specification listings.
