COMMANDO has arrived!

The **NEWEST** addition to the CSA Alloy Wheels 4x4 Range - Mullins Wheels is proud to release **COMMANDO**.

COMMANDO is a bold 6-spoke wheel, featuring a simple design, with strong lines & a subtle curve across the face of the spoke. The wide spokes create a stand-out, tough appearance. The circumference of the wheel is highlighted by twin chrome rivets. Completing the look of the wheel is a satin black cap with chrome CSA logo & rivet detailing.

COMMANDO has a max load rating of 1250kg.

COMMANDO has been specifically designed to fit Toyota Hilux 4x4, SR & SR5, and commercial vans including Toyota Hiace (2010 onwards) & Hyundai iLoad & iMax. **COMMANDO** will also fit the most popular 4x4s including; Ford Ranger, Holden Rodeo, Mazda BT-50, Isuzu D-Max & MU-X, and VW Amarok.

COMMANDO is finished with a smaller cap for the 5-stud multi-drill fitment option (suitable for VW Amarok & other 5-stud 4x4s).
