BATHURST

ALLOY TRAILER WHEELS

FOR TRAILER APPLICATIONS ONLY

Mullins Wheels is proud to re-release a range of BATHURST alloy trailer wheels to suit HT Holden and Ford Trailer bolt patterns.

BATHURST alloy trailer wheels are available in a gloss silver-grey paint finish, can withstand the harshest environments and are tested to international standards with a high load rating. Perfect for marine boat trailers often immersed in salt water and general industrial trailer applications.

Load rated at 750 kg in 13" and 950 kg in 14", Bathurst is the ideal wheel for towing heavy loads on almost any trailer.

Part Number	Size	PCD Stud Pattern	Trailer Offset	Trailer Hub Application	Finish	Cap	Max Load	Bulk Qty
660-350P10-52S	13x5	5/108	10 Pos	HT Hub	Gloss Silver Grey	401-C142-SG	750 kg	20
660-350P10-54S	13x5	5/114.3	10 Pos	Ford Hub	Gloss Silver Grey	401-C142-SG	750 kg	20
