CSA DRIFT - HI GLOSS BLACK FINISH PASSENGER & SUV VEHICLE APPLICATIONS

DRIFT is a new wheel by CSA which is suitable for small to medium sized passenger vehicles, plus many of the latest small, medium & large SUV vehicles available in Australia today.

DRIFT is available in 16x7", 17x7.5" and 18x8" sizes, and has a classic spoke design. This awesome 6-spoke wheel will appeal to owners who want to emulate the look & feel of the drift scene.

DRIFT has a hi-gloss-black paint finish, with a deep, painted lip. The centre bowl is multi-drilled and finished with a stylish CSA centre cap.

The CSA DRIFT wheel is load rated at 690 kg to suit the intended market. For all vehicle applications check CSADIRECT.COM.AU

Available now for immediate delivery Australia wide.
